### **Reason for Allowance**

1. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest a communications system, and its method of use, comprising a common device; a plurality of higher layer devices; a bus for communicating data traffic comprising data in ATM form and data in AAL2 form between the common device and the higher layer devices, the bus including lines for carrying data and control signals, the data in AAL2 form including an AAL2 mini-cell associated with a means of identification of at least one of a source and a destination of the mini-cell; and the devices including discrimination means for discriminating between the two forms of data traffic, as specified in independent claims 72, 82, 88, 98, and 106.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### **Conclusion**

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Joe Logsdon whose telephone number is (703) 305-2419. The examiner can normally be reached on Monday through Friday from 10:00 am to 6:30 pm.
